WHAT IS LEAVE 10 KITSAP?

Leave 10 Kitsap is a movement that educates, encourages and inspires people in Kitsap to leave at least 10% of their estate to charity in their will.

WHY SHOULD YOUR CLIENTS LEAVE 10?

Kitsap Area residents have a household net worth of \$93.6 billion. It is estimated that \$12 billion will be transferred between generations in the next 10 years, yet many people don't have plans to leave a gift to charity in their wills.

Imagine if just 10% of \$12 billion – or \$1.2 billion – was left to local charities. Funding of this magnitude could address community needs for affordable housing, mental health services, and educational opportunities, to name just a few.

YOUR ROLE

Your clients need information, encouragement and the support of their professional advisors to guide them in making charitable gifts.

Leave 10 Kitsap provides advisors with information about nonprofit organizations that may fit their clients' philanthropic objectives. With your guidance, your clients can truly change the world.
